

## Note from the Executive Director

Adventure was our word of the week for our daily devotion! What adventure awaits us? As we gear up for the Spring and newness...think about the wonderful adventures to come! For some it will be traveling, others may be doing some home renovations or re-connecting with friends and family! For us at HeartLove Place, we are eagerly awaiting the snow to end so that we can begin our gardening season! To plant and educate our families on the topics of healthy food and living! We are also excited about our Easter Celebration in April that will be **IN PERSON**! We are thankful and ready for the adventures to come!

## Art at the Heart!

On March 1st, HLP began the Hero in You Art and Storytelling program. This 8- week program that not only helps to teach youth basic art skills and how to build their own fiction world, but also helps them to see the hero within themselves using Biblical principles!

This course runs from March 1st to April 21st, June 7th to July 28th, and September 6th to October 28th. This program was made possible thanks to a generous grant from the Greater Milwaukee Foundation.

We will continue our Artistic journey during the summer with Art in the Park, a program that goes hand in hand with HLP's Gardening Program.
